

## ADVERTISEMENT FOR BIDS

Sealed bids will be received by the City of Wichita Falls, Texas at the **Purchasing Office, Room 113**, Memorial Auditorium, 1300 7th Street, Wichita Falls, Texas 76301 until **2:00 P.M., September 29, 2015**, for **Permanent Indirect Potable Reuse System Pipeline Project, CWF15-545-19**, and publicly opened and read at **2:15 P.M.**, in Room **500**, Memorial Auditorium.

This project is generally described as the installation of 28,365 feet of 30-inch ductile iron water line, 60,635 feet of provided 32-inch OD HDPE water line, air valve assemblies, blowoff assemblies, boring and casing, street repair and associated work.

General Conditions and General Specifications used in this project are contained in the **Public Works Construction Standards – North Central Texas**, October, 2004. This publication is available through the North Central Texas Council of Governments' Regional Information Center, P.O. Box 5888, Arlington, TX 76005-5888 Phone: 817-640-3300.

Any contract(s) awarded under this Invitation for Bids is/are subject to the American Iron and Steel (AIS) requirements of Section 608 of the Federal Water Pollution Control Act."

Time is of the essence in the construction of this project. Provisions for liquidated damages are outlined in the Bid proposal form. Bidders will be required to submit a bid security, for not less than 5% of the largest possible bid submitted, with their proposal.

**For a nonrefundable fee of \$125 each**, bidding documents (half-size plans and specs with electronic copy) may be obtained from Corlett, Probst & Boyd, PLLC, 4605 Old Jacksboro Highway, Wichita Falls, Texas 76302 (email [cpb@wf.net](mailto:cpb@wf.net) with request). Questions regarding this project should be directed to T. Dean Hinton, P.E., Project Manager, at (940) 723-1455 ([tdh@cpbwf.com](mailto:tdh@cpbwf.com)) with a copy to [ldc@cpbwf.com](mailto:ldc@cpbwf.com).

Contractors are strongly urged to attend and participate in the **MANDATORY pre-bid conference at Memorial Auditorium, Room 500 at 2:00 P.M. on the 15th day of September, 2015**. Bidders must have a representative register as present at this meeting or their bid will not be opened. Representatives of the Owner and the Engineer will be present to discuss the project. Engineer will transmit to all prospective Bidders of record such addenda as Engineer considers necessary in response to questions arising at the conference.

The Engineer's Estimate of Probable Cost of Construction for this project is **\$12,855,000.00**.
